What we do for your operation.

Integral solutions for industry, commerce and the corporate sector, tailored to each client.

01

Professional cleaning

Deep, general cleaning for homes, offices, lots and machinery.

- Home and office cleaning
- Soil, debris and waste removal
- Deep washing of vehicles, yards and machinery
- Parking-lot painting: signage and demarcation

03

Industrial painting

High-durability coatings for fences and metal structures.

- Surface prep and anti-corrosion primer
- High-durability enamels and coatings
- Greater resistance to corrosion, weather and heavy use
- Ideal for maquiladoras, industrial buildings and fences

05

Transport and hauling

Transport of materials, furniture and machinery with local and long-distance freight.

- Transport of materials, furniture and machinery
- Local and out-of-town freight
- Safe loading and unloading
- Punctuality and commitment on every delivery

07

PPE supply

High-quality personal protective equipment for your team.

- Safety glasses and eye protection
- Cut-resistant and work gloves
- Respiratory and hearing protection
- Industrial absorbents and consumables

02

General maintenance

Preventive and corrective maintenance for your facilities.

- Preventive and corrective maintenance
- Repairs and adjustments
- Plumbing, ironwork, welding and carpentry
- Fast, effective solutions

04

Electrical connections

Residential and industrial electrical installation and maintenance.

- Residential and industrial electrical installations
- Maintenance and repair of electrical panels
- Panels, outlets, lighting and more
- Guaranteed safety and efficiency

06

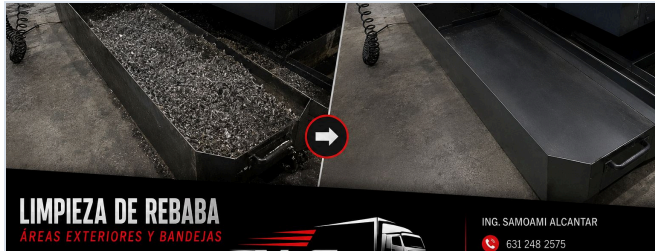

Ironwork and welding

Fabrication and repair of metal structures, fences, gates and railings.

- Metal structures
- Fences, gates and railings
- Fabrication and repair
- Durable, quality work

Before and after.

Real results on the plant floor, documented on every project.

Swarf & chip cleaning

Exteriors and chip trays of CNC machines

- We clear built-up swarf and contaminants
- Better working conditions
- Lower fire risk

Painting of fences and structures

Better image, greater protection and durability

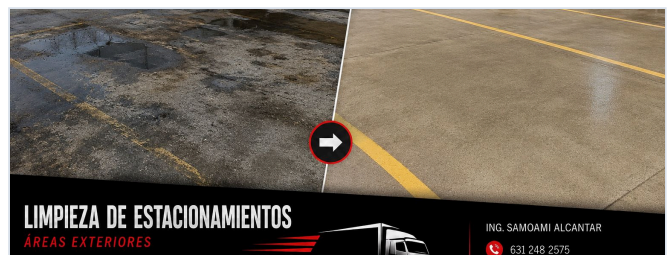

- Surface prep and anti-corrosion primer
- High-durability industrial paint
- Ideal for maquiladoras and industrial buildings

Solar panel cleaning

Maximum performance and longer lifespan

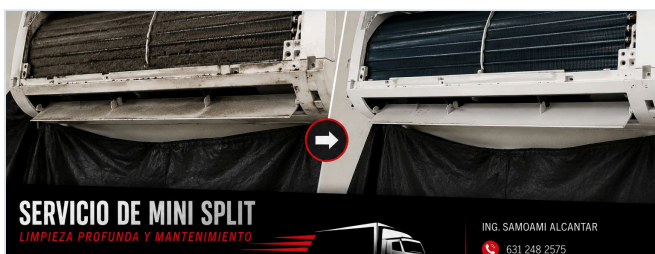

- We remove dust, dirt and residue
- Improves energy efficiency
- Extends system lifespan

Parking lot cleaning

Exterior parking lots and yards

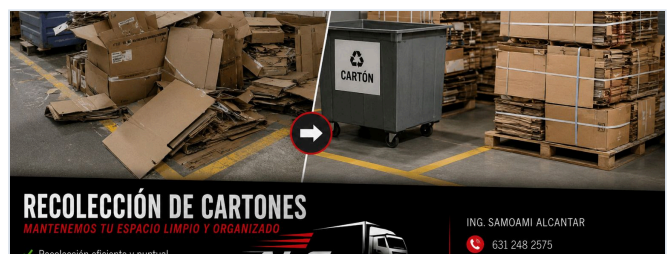

- We remove dirt, grease, oil and stains
- Better conditions and presentation
- Prevents slips and accidents

Mini-split A/C service

Deep cleaning and maintenance

- Improves performance and efficiency
- Cleaner, healthier air
- Extends lifespan and prevents failures

Cardboard collection

We keep your space clean and organized

- Efficient, on-time collection
- Improves your area's cleanliness and safety
- We support recycling and the environment

Personal protective equipment.

High-quality safety equipment to protect your team at all times.

EPP-01

Safety glasses

Eye protection against impacts and particles

- Clear polycarbonate lens
- Lightweight and comfortable for extended use

BEST SELLER

EPP-02

Industrial absorbent pads

Absorb oils, grease and fluids

- High absorption capacity
- Ideal for spills and maintenance

EPP-03

N95 respirator with valve

Respiratory protection against particles

- Filters at least 95% of particles
- Exhalation valve for added comfort

EPP-04

Disposable face mask

Basic three-layer protection

- Three filtering layers
- Light and breathable

EPP-05

Foam ear plugs

Effective noise reduction

- Soft polyurethane foam
- Comfortable and reusable

EPP-06

Cut-resistant gloves

High cut and abrasion resistance

- Polyurethane coating
- Excellent grip and dexterity
